Research Core

Requires 15 hours

Students and their advisors will choose one of the following three research sequences that is most appropriate for their needs. Any substitutions to these sequences will need to be approved by the student's chair and dissertation/thesis committee.

Note: Adjustments may be made to the various research sequences due to course availability. Students should meet with their major advisors to make the necessary changes. To fulfill the research requirement, the remaining 6 hours should be selected from approved advanced courses (see ARM) and in conjunction with their advisor.
