Undergraduate Advising Office Monthly Newsletter

October is a Busy Month in TLAC!

There are lots of things going on in TLAC in the month of October! Here's some of what's happening:

There will be two **Freshman Meetings** held Oct. 14 and Oct. 20, both at 5:15pm and in Rudder 601. All freshmen must attend ONE of the two meetings in order to have their advising hold lifted at their mandatory advising meeting.

How about **Studying Abroad in Costa Rica**? If you want to go on that Summer 2010 trip, there will be an informational meeting on Monday, Oct. 19, at 6:00pm in 215 Harrington Tower. Bring your questions, your instructors will be on hand to answer them.

The **Fall Career Fair** will be held on Monday, Oct. 26, in Reed Arena, beginning at 8:45am. If you are interested in attending, you must register. More information can be found on the TLAC website under Career Fair.

Are you thinking of applying for the **Internship Program for Fall 2010**? Meetings will be held on Nov. 2, at 10:30am and 5:30 pm in 215 Harrington Tower; you will need to attend one of the two to get information on how to apply.

And of course, **mandatory advising** is still going on! We have started seeing the Juniors, but if any Seniors out there still need to be seen please make sure you schedule an appointment! Remember, you won't be able to register until you have been advised. You can make an appointment by calling 979-845-5312.

(Quick reminder– if you are planning to enroll in **Senior Methods** or your **Junior II** class in the spring, there will be meetings held Dec. 9 for both groups.)

For more information on all of these dates, remember you can check out our website! All these dates are also listed there- <http://tlac.tamu.edu>.

You've paid for it, so use it! The Career Center

You may have noticed a "Career Center" Fee on your most recent fee statement. What do you get for that?

Well, for starters, you get a College rep who works just with CEHD students, so they can

personalize their services. They also offer workshops on resume writing, interviewing, career planning, and lots more– these are just a few.

They can also help you with your job search, help you find

professional organizations to join, and even etiquette classes for that extra polish.

Oh, and that Aggie-Folio you're working on? Also thru the Career Center. Stop by and check them out, they are there for you!
